THE EXPLORA DIFFERENCE

Why choose Explora Journeys?

80

French-speaking crew members aboard every ship. Wherever you sail, you are welcomed, guided and cared for in your own language — so every moment can be savoured in complete serenity.

Your additional benefits

- **Virtuoso onboard credit** — on a selection of Caribbean cruises this winter: 150 “Journey Experience” credits per person (capped at 300 per suite).
- **Hilton Honors member** — up to 5% additional savings, onboard credit and amenities according to your status.

To plan ahead is to give yourself the choice

Booking a cruise well in advance, even during the summer, may seem surprising. Yet it is often what makes all the difference.

For the Caribbean or the Americas, flights become scarcer and more expensive as the dates draw near. Planning ahead is not about rushing — it is about giving yourself the choice. The best itinerary. The right season. The best conditions, suited to your interests.

And above all, the time to craft a truly bespoke journey, with no last-minute compromises — and at the best possible prices.
